Brand New Book ***** Print on Demand *****.Southerly Breeze affords a Darwinian tale of survival of the meanest, where assets become liabilities on the spur of the moment and none is spared. The drama unfolds in Bulgaria, a little known European country with about 6000 years of history, a crucible of cultures and a cauldron of conflicts, shortly before the end of the Cold War. The story spins about three decades and takes place in three different regions of the country, each with own unique ambiance. One is the capital city Sofia. In this ancient, yet modern city government officials communicate with illiterate, colorful Gypsy women and major political decisions are adopted behind a wall of secrecy, shrouded by blatant, hollow propaganda cliches. In a parallel universe and at about the same time, another plot develops in the second major city of Plovdiv and its immediate mountain vicinity, all with rich history playing a vital role for the unfolding events....
