SAVING THE ST. JOHNS RIVER: ONE PERSON MADE A DIFFERENCE

Dog Ear Publishing, United States, 2006. Paperback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.This book presents the writer s commitment as a citizen volunteer to restore the pollution plagued St. Johns River. I address the early 1900s when man attempted to drain the river s headwaters. The pattern continued into the 1980s with construction of dikes and pump stations throughout the river s first 70 plus miles. In 1985, I founded SAVE St. Johns River, Inc. Our support base includes 3,000 citizens. My work helped secure federal designation of the St. Johns River as an American Heritage River. Another accomplishment included the state purchase of 14 miles of the river s shoreline. A new county recreation facility bears this writer s name. These events, plus others of equal significance are included in the book, supported by 25 photos. Read the full story of this volunteer in action. Most chapters conclude with my sometimes humorous fishing experiences. In writing this book, much of my research material was retrieved from my own personal files I accumulated in my volunteer work over the past 20 plus years. Within the pages of the book, I have included the more significant issues this writer pursued since the mid 1980s. I address the successful conclusions on numerous issues, as well as those issues that continue to present a challenge. I write about some disappointments; not failures. In fact, failure is not a word in this writer s vocabulary. It s simply a delay, pending resolution. The book addresses two complex issues and their effect on the St. Johns River. I present those issues in a way an average person can understand. The book is comprised of 10 chapters, and include this writer s actions: Proposed...
