HarperCollins Publishers Inc, United States, 2016. Paperback. Book Condition: New. Macky Pamintuan (illustrator). 194 x 130 mm. Language: English . Brand New Book. It s the thrilling conclusion to the Alien in My Pocket series! With a page-turning plot, plenty of fun science facts, illustrations throughout, and a do-it-yourself, hands-on experiment at the end, this is an appealing chapter book series for young readers. And it s all from the amazing brain of MIT graduate Nate Ball, host of PBS s Emmy Award-winning Design Squad series. Zack has grown fond of his troublesome buddy, Amp, since the four-inch-tall alien crash-landed his spaceship through Zack s bedroom window. They ve gotten into more than their fair share of trouble together, but they ve always invented a way out of it. Until a fleet of ships from Amp s home planet filled the sky and started firing its weapons. Zack and Amp have to do the thing most kids only dare imagine-save the world! Correlates to the Common Core State Standards in English Language Arts.
