As each new generation of entrepreneurs emerges, there is a renewed interest in how venture capital deals come together. Yet there is little reliable information focused on venture capital deals. Nobody understands this better than authors Brad Feld and Jason Mendelson. For more than twenty years, they've been involved in hundreds of venture capital financings, and now, with the Second Edition of *Venture Deals*, they continue to share their experiences in this field with you. Engaging and informative, this reliable resource skillfully outlines the essential elements of the venture capital term sheet--from terms related to economics to terms related to control.
