This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

After long deliberation it was decided to send a delegation to Europe to plead for the help of the Christian sovereigns. It consisted of six members, three laymen and three clergymen, under the leadership of the Catholicos himself. Among them was a man by the name of Israel Ory, who claimed to be a descendant of one of the princes of Armenia. On...
