Covering the truly international nature of the modern art scene, The 20th Century Art Book encompasses established and iconic works of art and the classics of the future. 500 artists are juxtaposed in alphabetical order, each represented by a full-page colour plate of a definitive work accompanied by an incisive text that sheds light on both image and creator. This book is above all perfectly easy to use. There are cross-references help the reader make connections between artists, a jargon-free glossary of artistic terms and movements, and an international directory of museums and galleries lists the works on view to the public. Ideal for those approaching the subject for the first time, it is a fun and inviting look at the ever-expanding boundaries of art.
